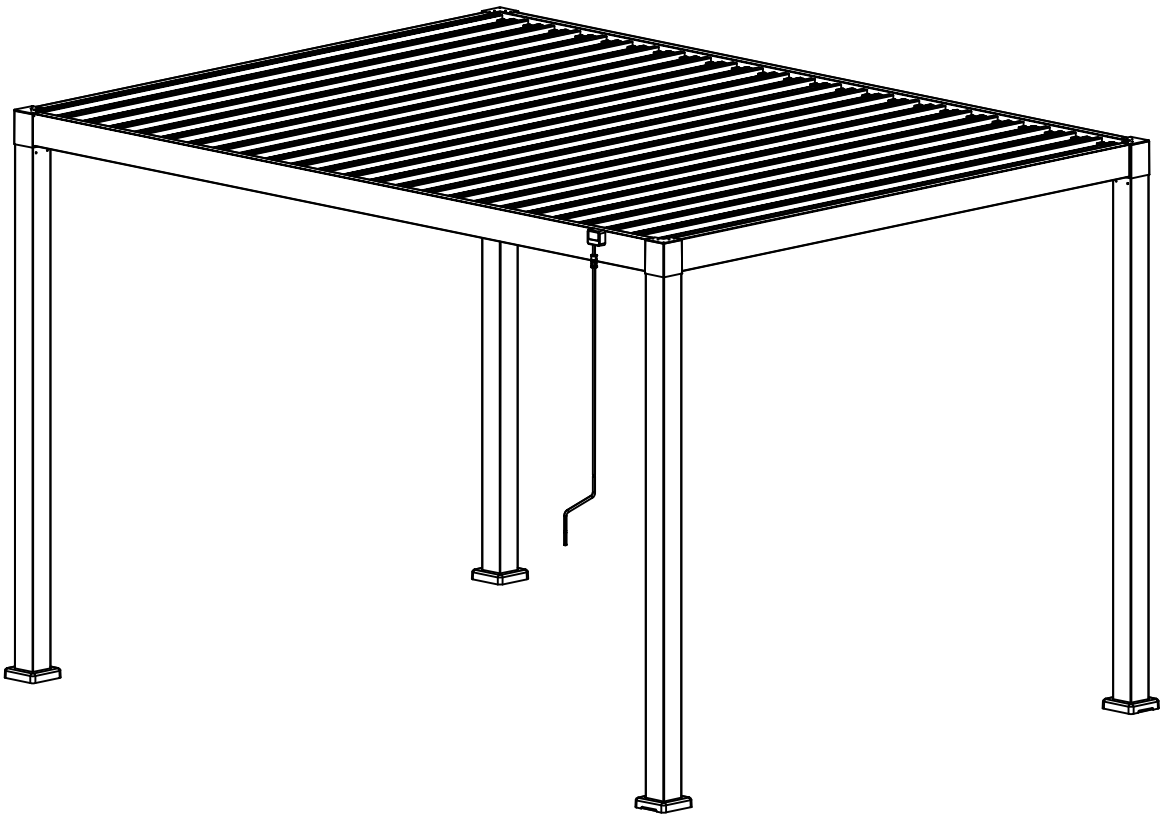
JOSEF® STEINER

Aufbauanleitung Pergola Dallas

Wir gratulieren Ihnen zum Kauf unserer Pergola!



Praktischer Hinweis:

An schneereichen Tagen müssen die Jalousien offen gehalten werden, um zu verhindern, dass übermäßiger Schnee sie verbiegt. An regnerischen Tagen ist es am besten, die unter der Pergola platzierten Produkte abzudecken.

Achtung：

Die Pergola muss auf ebenem und festem Untergrund installiert werden.

Um mögliche Probleme bei der späteren Installation anderer Zubehörteile zu vermeiden, ziehen Sie bitte alle Dehnschrauben fest, nachdem Sie sichergestellt haben, dass die horizontalen und vertikalen Abmessungen korrekt sind.
